

## Requesting a Skills Session – Student (Individual Purchase)

Step 1: Purchase Heartcode product on ShopCPR – for help purchasing, please navigate to the ShopCPR FAQs <https://shopcpr.heart.org/faqs>

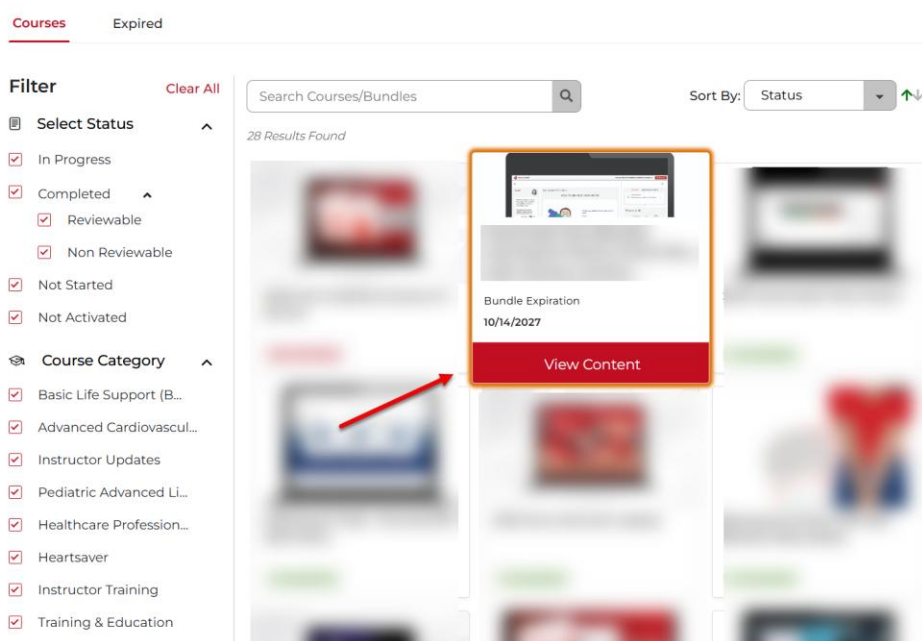

Step 2: After purchase, navigate to <https://eLearning.Heart.org> and select **Sign In/Sign Up** to log into the system

Step 3: After you log in, open the menu under your name in the top-right corner and select **My Courses**.

Step 4: Navigate to the correct Heartcode course, hover over the tile and select **View Content**

Step 5: Navigate to **Find Training Center** by selecting the tab located next to **Topics**.

A screenshot of the American Heart Association eLearning website. The header includes the logo, the text "American Heart Association eLearning", and user information "Randi Gordon" with a search icon and "EN" language selector. Below the header is a navigation bar with "Courses", "About eLearning", "Support", and "Get Involved" tabs. The main content area is blurred, but a "Topics" tab is highlighted with a red box, and a red arrow points to the "Find Training Center" link next to it. Below this, a table of topics is visible with red buttons on the right side.

## Step 6: Find the Training Center/Site by selecting the country and name of the Training Center/Site

Topics **Find Training Center**

A hands-on skills session is required to complete your training. Please select a Training Center and send a request for a skills session.
