JOIN THE INNOVATION AT #AHA25

Connect with global leaders in health and science

Join us at Scientific Sessions 2025, the American Heart Association's premier global event in cardiovascular science and medicine. This year, we're thrilled to announce **FOUR** full days of programming, giving you more opportunities to dive deep into cutting-edge research, network with leading experts, and explore innovative solutions that will shape the future of healthcare. Don't miss this unparalleled opportunity to expand your knowledge and make meaningful connections.

MORE REASONS TO ATTEND IN 2025

- **70% more** educational content
- **21 education communities** providing cohesive content
- **New collaboration** with the Hypertrophic Cardiomyopathy Medical Society (HCMS)
- **Innovation additions** like AI/tech, an expanded Simulation Zone, new core cardiology content for clinicians and more
- **Nobel Laureate Address:** Ardem Patapoutian, Ph.D. Professor, The Scripps Research Institute and Investigator, Howard Hughes Medical Institute
- AHA Professional Members enjoy exclusive **discounts and events**
